YEA YOEMEN will ring at Taylor Field Friday night when the fighting Yoemen meet the Taylor Ducks, opening the high school football season. Practicing cheers for the big game are cheerleaders Brenda

Watkins, Jan Roach, Connie Mowdy, Judy Young and Doris Ruzicka. Cheerleader Inez Evans (not pictured) will join the energetic group at Friday's game.

## 107 With F.M.L.

There's a guy in Arlington, Va., who has a right to be proud. Only a few have met him in Cameron, because he has visited here only once. He is my oldest brother, Charles, or Chuck as we fondly call him.

He played a considerable part in a book just published this year, "Oxford Angel," the story of the 91st General Hospital in Britain during World War II.

The author is Col. Lester Maris Dyke, now head of University of Maryland Medical Center, and a wartime commander of the unit. Brother Chuck among others contributed numerous pictures and helped with the text of the 300-page book of pictures and text.

He was a medical technician with the unit and in Belgium sometime after D-Day, 1944. About 26 years later, he helped organize a reunion in Washington for members of the huge hospital unit.

I'm his little brother, and 1500 miles away so I can get away with what I'm about to say.

He didn't have the opportunities this young one had when he finished high school in a little town in Southern Missouri in the mid-Depression years of the '30s. So he went to Washington as a very young man and made his way. And Chuck has done well. The war came along a few years later, and interrupted everybody's life, his included.

Chuck's heart is big. Perhaps that's why he served in the Army Medical Corps, because he was best at helping people.

He helped me when it meant a great deal, even while he, like SEE -107- Page 2

### In Season Opener

## Yoemen vs. Ducks Friday

The Cameron Yoemen open their 1966 football campaign against the Taylor Ducks in Taylor, 3 p.m. Friday.

The Yoemen will be a young seasoned team meeting a richly Taylor squad which beat 1965 AAA District Champion Austin Lanier in a scrimmage last week in Taylor.

The Taylor Ducks will be running an unbalanced line with state track finals 4.5 dash man Heinman at the split end.

The offense for the Cameron Yoemen will be the Split "T" formation with the splitting of the right or left halfback, at times. The Taylor Ducks are full strength as they return six defensive starters from their 1965 ball club.

Slowest man in the backfield is Percell Gaulds who runs a 10.2 100 yard dash. So the Yoemen have a lot in store for them in the fast Taylor backfield.

However, the Yoemen have some regulars back from the 1965 squad in Don Manley, Bill Goeke, and Glen Fogle in the defensive secondary.

At quarterback will be Don Mitchell who was Mack McKinney's understudy last year. In the Gatesville scrimmage, Coach Ken Fuqua, found moves in Mitchell that he never knew were there. Elsewhere, the Yoemen defensive front will be led by Steve Smith, David Barrett, Jimmy Kopriva, and Dennis Rose.

At linebackers will be Ray Urban and James Dolmalik. Overall, the Cameron Yoemen have two defensive units who can do just as good a job as the other.

The Yoemen offense has their

work cut out for them as the Ducks outweigh the Yoemen by 15 pounds per man. The Ducks defensive front is big with Jon Rolka, 240 pound middle guard in and Donnie Zachary, 190 pound linebacker, expected to do most of the work for the Ducks.

With a slow Ducks defensive line the Yoemen's offensive attacks plan is to go around them and over them with a sound passing attack.

The Cameron Yoemen are up to keep their win record over the Ducks impressive as they hope to bring home their third victory in two years.

Starting line up for the Yoemen, offensively, looks like this:

Pos.	Player	Wt.
RE	Jack McKinney	169
LE	Jim Lafferty	180
RT	Dave Krafchick	175
LT	Dennis Rose	190
RG	Jimmy Kopriva	175
LG	Ray Urban	170
C	Steve Smith	170
QB	Don Mitchell	145
HB	Don Manley	150
FB	Bill Goeke	150
FB	James Dolmalik	165

In the past eighteen years that the Yoemen have met the Ducks, the Yoemen are ahead in the won-lost column by a 15-3 margin. The Ducks will be out to make it 19-9, Friday. Th record for the meeting of these two fine ball-SEE YOEMEN Page 2

## Prisoner, Youth Attempt Suicide

Two attempted suicides marred the traffic accident free weekend in Milam County.

Milam County Sheriff Carl Black said a 16 year old boy in Branchville attempted to hang himself at his home Sunday morning. A broken raftier was credited for saving his life and alerting his parents. Sheriff Black said family problems had been given as the reason for the attempt.

The boy was treated in a Hearne hospital and later transferred by the Milam Sheriffs office to the State Hospital in Austin for further care.

Sunday afternoon a prisoner in the Milam County Jail slashed

his wrists and arms with a piece of broken glass in an apparent attempted suicide.

Sheriff Black said the prisoner, John J. Hart, about 33, of Galveston was taken to St. Edward Hospital about 3:30 p.m. Sunday and had been returned to the jail Wednesday.

Hart had been arrested in July and indicted for auto theft. He has been in jail for 37 days, Black said, awaiting trial.

Hart had worked for a carnival which was in Rockdale in June and was charged with the theft of the carnival owner's truck.

Black said a 24 hour guard had been placed on the man during his stay at the hospital.

### Mrs. F. G. Blake Dies; Services In City Tuesday

Mrs. F. G. Blake died Sunday, September 4, in Torbett Hospital, Marlin. She was 76.

Mrs. Blake, wife of Cameron Coca Cola Bottling Co. owner, was born June 7, 1890 at Fayetteville, Texas. She had lived in Hearne before moving to Cameron and at the time of her death was a member of the Hearne Methodist Church.

Funeral services were held at 10 a.m. Tuesday, September 6, at Marek-Burns Funeral Home with Rev. Douglas Meyer and Rev. Richard Freeman officiating. Burial was in Norwood Cemetery, Hearne.

She is survived by her husband, F. G. Blake of Cameron, three sons, Milton Blake of Houston, Charles Blake of Hearne and Gene Blake of Ponca City, Oklahoma, seven grandchildren and five great grandchildren.

Pallbearers were Barney Owen, Paul Strutz, Rudolph Richter, Eddie Marcal, Casey Moore, John W. Nighlazzo. Honorary pallbearers were Naley Smith Sr., R. E. Cornforth, Oshier Smith, Dr. W. K. Waltman, A. E. Malone, Morris Cohen.

### Guilty Pleas Draw Sentences For Trio In District Court

Phillip Camacho of Waxahachie pleaded guilty to assault with intent to murder with malice aforethought and drew a five year probated sentence in Milam District court last week.

Camacho was charged along with three others, in the August 22, 1965 attack on Pete Gonzales at La Rumba Bar in Cameron. Hipolito Gonzales was tried June 15 and found guilty of murder with malice in the same assault case. He received a 15 year sentence.

Also sentenced last week in District Court were Ernest Gibson of Dallas and Dora Rollerson of Dallas. Both pleaded guilty to the burglary of the Stigall Store at San Gabriel on December 1, 1961.

County Attorney John Henderson said Gibson received a 12 year sentence in the Texas Department of Corrections and Dora Rollerson received a seven year sentence.

### United Fund Board Sets Goals For Cameron Campaign

The Board of Directors of the Cameron United Fund met Wednesday at the Cameron Chamber of Commerce Office to organize for the United Fund Campaign and set goals for the coming campaign.

Main reasons for the re-establishment of a United Fund for Cameron is so that campaign workers and the business community can be relieved of numerous separate campaigns. During this first year of reorganization, the Cameron United Fund will combine four drives into one; the Boy Scouts, Girls Scouts, Salvation Army, and Red Cross.

To make the campaign a success, residents will be asked to give at least as much to the united campaign as to the four separate drives.

### Football Tickets On Sale Today

Tickets for the Cameron-Taylor football game Friday are on sale at the Yoe High School Principal's office and at the downtown Tax Office (1st and Central streets). Game time for the season opener in Taylor Friday is 8 p.m.

## City Spraying Culex Mosquito

City spraying equipment has been dispensing spray in an effort to prevent any possibility of encephalitis, according to Dr. C. C. Swift, county health director.

He told The Cameron Herald that no cases have been noted in Cameron or Milam County. The nearest suspected incidence of encephalitis, he said, was reported at Fort Hood.

The precautionary measure was called for by the City following outbreaks of "St. Louis Encephalitis" cases in Dallas, where the city had been sprayed by plane.

Dr. Swift congratulated Mayor Bessel Wilson and City Public Works Dept. J. B. Kagle on their active interest in guarding the public's health.

Bill Tingley, Milam County sani-

tarian, has been riding nightly with the spraying equipment, Dr. Swift said Wednesday.

The culex mosquito is said to be the carrier of the dread encephalitis, which has claimed dozens of lives this year in outbreaks in Dallas, Corpus Christi, and San Antonio. Last year, Houston had a major epidemic of encephalitis, claiming almost a hundred lives.

The City regularly sprays in the spring and early summer months around the community to prevent growth of mosquitoes, flies and other insects around pools of stagnant water.

This was believed to be the first time a special spraying for the culex mosquito was made in Cameron.

## Classwork Begins For 1,615 Pupils

Classwork started in Cameron schools Tuesday with 1,615 students enrolled, an increase of 37 over last year according to Supt. D. R. Dodson. Faculty for the public schools was completed with the hiring of a music teacher last week.

The enrollment figure includes 79 Branchville students and an increase of 18 Cameron students over last year.

Title I assistance approved before the opening of school totaled \$141,543, a slight drop from last year's \$142,172 opening program. Dodson said the Title II approval had not been received but expected it to exceed last year's grant of \$4,990.

Cameron school buildings had been cleaned throughout during the summer in preparation for this weeks opening and extensive redecorating was completed in O. J. Thomas, Yoe High and Ada Henderson buildings.

Five rooms were refurbished in Yoe High School with the arrival Friday of 219 new desk-chairs.

Other work on buildings during the summer included a garbage storage area at O. J. Thomas, repainting the gym at Yoe High and refurbishing the O. J. Thomas gym floor. Floors in Yoe High and Ada Henderson were also refinished.

The \$141,543 Title I appropriation includes funds for 32 staff workers, property and equipment. \$10,000 has been allocated for purchase of property for school extension, \$3,600 for lease-purchase of the downtown school tax office and \$7,485 for purchase of additional reading equipment.

Staff included in the Title I program includes 1 music teacher, 1 art teacher, 1 remedial reading coordinator, 3 remedial reading technician aids, 1 audio visual and evaluation supervisor, 14 teacher aids, 1 office aid for special services, 3 library assistants (1 each for Ada Henderson, Yoe High and O. J. Thomas), 1 administrative secretary, 1 administrative bookkeeper (part time), 2 tutor aids (after school) for O. J. Thomas, 1 full time social worker and a 2 1/2 time social worker, 1 registered nurse full time.

### Dymke Joins Staff As Sportswriter

Bob Dymke, student at Baylor University, will be covering yoe-man and area football for The Cameron Herald this year.

He will cover Buckholts, Milano, Rogers and other area teams as well. He is a former grinder for the Cameron Yoemen himself, and will be remembered as well as a baseball pitcher for the Yoe baseball nine when they were competing.

He will write a weekly column, "Football Philosophizing," and make weekly prognostications on high school and college games.

The Herald invites you to "read Robert" and to match grid forecasting talents with him.

### United Fund...Part I

## S A Serves Locality

### ONE OF A SERIES

The Cameron United Fund will include four drives in one in October, a renewal of the North Milam United Fund that ceased operation in 1961.

Reorganization has begun with a board of directors named by the Cameron Chamber of Commerce earlier in the year.

Included this year are: the Salvation Army, the American Red Cross, the Boy Scouts of America and the Girl Scouts of America.

The Salvation Army serves a familiar "welfare program daily" to quote "It Takes Two," a pamphlet about Salvation Army work.

John Schigut heads the local service unit, which keeps one-third of funds actually donated in Cameron for Salvation Army work. And he points out additional funds are available through the state office in Dallas if needed for emergencies.

"While avoiding duplication of other existing agency services, the Service Unit Committee is able to make its own decisions without having to consult a distant headquarters....Cases are handled without regard to race, color or creed...." the Salvation Army notes.

The Salvation Army in Texas uses the money raised in Texas. Only 1 percent of all funds received in the state goes outside Texas. And the minimum one-third of the money raised locally remains with the Cameron service unit for local needs.

Again quoting from "It Takes Two," "it is our desire to assist in raising the annual budget, and we strongly encourage our Committee members and divisional staff members to assist the Chest of Fund in every way possible

### COTTON SELLS AT 16 CENTS SUPPORT EXTRA

Cotton harvest started on many Milam County farms this week with prospects of low cotton and higher seed prices.

Cotton graded as 1" middling is selling at 16 cents per pound, however growers in the government control program will realize up to 32 cents per pound according to A. E. Sanders, ASCS office manager.

Price support payments of 9.42 to 10 1/2 cents, depending on the percentage of cotton acres diverted, plus 2 1/2 cent per pound federal loan for 1" middling cotton will bring the total price well over the average 23 cent production cost.

Mrs. Perry Holder, of Farm-ers town, said seed prices were up and farmers were receiving checks above the cost of ginning for the first time in 5 years.

She said farmers were having difficulty harvesting their cotton because of a shortage in local farm labor. Synthetics and a small demand for the locally grown short staple cotton were blamed for the low selling price.

Durwood Cobb, cotton grower in the Branchville area, said locally growers would probably continue to plant as much cotton as they were allowed because it was considered a good rotation plan.

He said the long staple was not adapted to this area because it required controlled moisture and climate.

In the Salem area Paul Mueck said he was well into his harvest and would probably finish this week, but that most in the Salem area would be later.

### Vogelsang Resident, Mrs. Bergum, Dies

Mrs. Minnie Bergum died September 1 in a local hospital following a long illness. She was 83.

Funeral services were held at 3 p.m. September 2 at Marek-Burns Funeral Home with Rev. J. E. Lafferty officiating. Burial was in the Vogelsang Cemetery.

Mrs. Bergum was a former resident of the Vogelsang Community, moving to Cameron this year. She was preceded in death by her husband, Mr. Pete Bergum, in January.

Surviving are two brothers, Will Vogelsang of Cameron and Hel-north Vogelsang of San Antonio; four nephews and three nieces.

Pallbearers were Ernest Vogelsang, James Vogelsang, John Andy Vogelsang, Mike Boedeker, Byron Wise, Wesley Duncan, Jimmy Bartlett and A. P. Swanzy.

through the year."

"Whatever need arises can be met without delay or red tape," Salvation Army spokesmen emphasize.

This unit of the Cameron United Fund will be receiving a proportionate share of the total goal established by the Cameron United Fund board, which is meeting this week to establish the goal and share for each of the four participating agencies.

Heading the fund drive are co-chairmen James C. Camp and Albert Collins. Board members are: Albert McCullin, Jr., Eugene Smitherman, Richard Williams, Mrs. W. C. Wallace, Monroe Fuchs, Don G. Humble, Henry Siebman, Forrest Sapp, Rev. Richard Freeman, and Rev. Anthony Tubo-deaux, president of the Cameron Ministerial Association, and ex-officio member.

## County Agent's Notes

## Crop Committee Reports Yields

By J. D. Moore

The results of grain sorghum variety tests have been released by the County Crops Committee, according to Coleman Danen, Chairman. Several demonstrations were planned this year by the committee in order to represent a more typical soil type for our various communities.

The bottomland demonstration was planted by Wilburn Beckhosen, Buckholts farmer and grainier. Mr. Beckhosen planted 17 varieties with the following names and yields per acre listed in order of their performance: Pioneer 846, 6071 lbs.; RS 671, 6026; TE 66B, 5944; Niagara (chula, 5941; WAC 700, 5926; Excel 505, 5863; Grammaster Reg. 1672; Excel 707, 5679; DeKalb F-61, 5556; Pioneer 829, 5539; NK 255, 5402; DeKalb F-65, 5212; Grammaster A, 5200; Pioneer 848, 5085; DeKalb C-42, 4897; NK 227, 4773; and DeKalb E-57, 4711.

The upland demonstration was planted by Doyal Arnold whose farm is located between Buckholts and Yarrington. There were 11 varieties planted at the Arnold farm with the following results: Pioneer 846, 5325; RS 671, 4629; WAC 700, 4629; NK 227, 4384; DeKalb C-42, 4384; Grammaster Reg. 4345; Excel 505, 4123; TE 66B,

4244; DeKalb 42B, 4043; NK 227, 3907; and Grammaster A, 3867.

Another upland maize variety test was planted by the San Gabriel community with the following results: NK 255, 6155; 19 (Karch), 5857; HT 44 (Hunt & Tipps), 5390; RS 622, 3841; WAC 700, 3807; Zion 61 (Miller), 3752; DeKalb C-42, 3733; RS 605, 3707; Frontier 41 E, 3634; Lindsey 755, 3663; Rico (Asgrow), 3557; (Pasmaster), 3413; RS 671, 3375; PAG 438, (Pioneer), 3325; Hatered (Conker), 3000; Furgo Y-83 (H.C. Young), 3376; Pioneer 846, 3342; Excel 605, 3142; TE 66B (Taylor Evans), 3035; RS 625, 3095; RS 626, 3043; NK 212, 3043; TE Grammaster, 3036; RS 610, 3036; and DeKalb F-54, 3231. This test was hurt by mud and poor stands on some of the varieties. The San Gabriel test was planted late.

The county agent has a file showing the percent of plant lodging, stunt and ridge damage on the Beckhosen test. WAC 700 had the strongest stalk in the test with possible TE 66B second. Neither showed any stunt or ridge damage.

All of the tests were adjusted to 14 percent moisture by Dr. E. D. Crook, Blackland Experiment Station Agronomist.

Other members of the County Crop Committee are Wilburn Beckhosen, Joe Mueck, Frank Kratochvil, Gene Angell, Anton Moraw, Robert Clark, Walter Lester, John A. Smith, Gene Klein, and Calvin Cobb.

## PREVENT CHOPPING

To keep your boat from pounding rough water (which makes for mighty rough riding), change the tilt of your outboard.

Bring the motor shaft closer to the stern.

This keeps the boat low in the water, no matter what the speed, and cuts out wham-pang high waves.

TAKE THE MISSUS WITH YOU. Many sportsmen miss out on a lot of fun by leaving the little lady at home.

It is surprising how adaptable women are on the trail. Seldom do you have to baby them, or grant any special privilege.

One man we know takes his frau on nearly every trip he makes. He is an international hunter, but admits his wife is a better shot, more intrepid, and more enthusiastic than he. Furthermore, she provides plenty of charm in the drawing room.

FARMER'S DON'T CAUSE HI PRICES AND INFLATION — Gov. John Connally told 1,000 Texas Agricultural Extension Service employees Tuesday at Texas A&M University that farmers are not responsible for high prices nor inflation as suggested by some economists. Speaking before the Biennial Conference of the Service, the governor commended the Extension workers on past achievements and challenged them to do an even better job in the future. Prices, education and water are vital problems we must face and solve to make Texas the number one agricultural state in the nation, he said.

**USING SOFT ABIT**  
Surf, salt water, and even fresh water fishermen often find it difficult to keep soft bait such as shrimp, liver, crab, etc., from coming off the hook.  
Get rid of this worry by tying such bait to the hook with thread. Carry a spool of strong thread in your pocket, then if rushing water tends to wash away your offering, you have the remedy at hand.  
**CLEANING SURFACES**  
Sometimes flat surfaces on which to clean fish are hard to come by. Cutting boards do fine, but in lieu of such a convenience, go out and find a downed log, or stump.  
Then a little work with a hand axe will prepare an excellent fish cleaning surface.

## Badgers, Eagles Clash Friday

The Milano Eagles and Buckholts Badgers will usher in the 6-man football season when they meet in Buckholts Friday night at 8 p.m.

Badgers Coach Jimmy Hank said both teams lost heavily from graduation this past year, but have some experienced lettermen back to help out.

Probable starting lineup for Buckholts: Gary Kleypas or Jesse Mendoza, LE; Dennis Tomascik, C; Michael Beedeker, RE; Joe Brady, QB; Larry Shenkir, HB; Kenneth Marek, HB.

Milano will have lettermen Howard Ashley and Gene Malone,

center L. B. Blake, linebacker, Norman Wilhard, end Don Wyatt and quarterback Robert Silva. Silva is a junior and the other lettermen are seniors.

Also up for the first contest Friday are: sophomore Mark Story, QB; junior, Morris Popham, HB; senior Arturo Garcia, E; sophomore Jimmie Davenport, E; senior Lamar Story, E; freshman Thomas Nelson, C; sophomore Thomas Garrison, HB; freshman Bruce Coldiron, HB and freshman Billy Lopez, E.

Gail Davidson is coach for the Eagles.

# Brahmas Top Yoe

The Bellville Brahmas are still rolling, but not so easy against the Cameron Yoemen as they did last fall in the Regional Playoffs in Temple. The controlled type scrimmage saw the Yoemen hold the Bellville Brahmas to a 2-1 touch-down edge at Yoe High Stadium last Thursday night.

The Yoemen were led by James Dohnalik, replacement for Cameron's graduated All-Stater, Mike McDaniels. Dohnalik was leading several yards as he was called on many plays to get the necessary yardage for a first down. Standouts for the Yoemen were Dohnalik, Don Manley, and Leo Michalka the leading ground gainers for the Yoemen. Defensively, linebacker Ray Urban, Mike Miller, and Dennis Rose held strong in the Yoemen's front wall.

## Membership Drive On For Booster Club

The Cameron Yoemen Booster Club met at 7:30 p.m. Tuesday in the Yoe High Agriculture Building, to push the Membership Drive and prepare for the Taylor ball game as Head Coach Ken Fuqua introduced his coaching staff and gave a scouting report on the Taylor Ducks.

The Booster Club added six members as Forrest Sapp, Bill Glass, Robert Maier, I. N. Hughes, Archie Prokisch, and Niley Smith all joined. Also, a drive on "Fighting Yoemen" football car stickers were distributed to members to sell to Cameron fans advertising the 1966 Yoemen schedule. In charge of the membership drive are Bubba Maddox, Joe Moehring, LaVert McKinney, and President of the Club, Richard Williams. Bob Dymke will be in charge of the sticker sales which will be available at KML radio station throughout the football season.

Coach Ken Fuqua's scouting report praised the Taylor Ducks as a new and tough ballclub. However, Coach Fuqua, said, "The Yoemen are going to Taylor and their only business is to beat the Class AAA ballclub on their own pad."

President, Richard Williams, emphasized that more members are needed and that the players' fathers are all invited to attend the meetings set for Monday nights at 7:30 in the Yoe High Agriculture Building. "Help support your boys and the Yoemen football team too. Come by and see what the Yoemen Booster Club does for the Maroon and Gray Boys," Williams said.

### Miss Schiller Is Baylor Honor Grad

Miss Peggy Jo Schiller graduated Magna Cum Laude from the business school of Baylor University at the close of the summer session.

Miss Schiller is the daughter of Rep. and Mrs. Milton Schiller, Cameron, and a graduate of Yoe High School. She received her BBA degree in the summer commencement program.

Miss Schiller has accepted a position with the Veterans Administration in Waco.

But the Cameron fans had their attention on another fellow, by the name of Dohnalik, quarterback for the Brahmas. This young ball-player still dazzled fans as well as the Yoemen when on several occasions he kept the ball on a sweep and raced for long yardage. However, the young quarterback could not find a solution for breaking the Yoemen's pass defense. Bill Goeke, Leo Michalka, and Don Manley each picked off one of Dohnalik's long passes to hold the Brahmas at their favorite scoring device.

Over all the Cameron fans present were impressed with the Yoemen's performance. Now that two days are over the Yoemen will have more time to rest for the opening game of the 1966 season against the Taylor Ducks, 3 p.m. Friday in Taylor.

## FOOTBALL... PHILOSOPHY

By Bob Dymke  
A football player in some way of life or another, is built around a "dare".  
You and each one of you, individually, love the game called, "Football". Each one of you is out to prove that you want to play to win. Why do you play? It could be that your friends play, so in order to stay with the crowd, you must play and show them you can.

It may be because your father played in school and you would like to keep the name in the family. Or is it that little sweet-heart of yours that is either a cheerleader, a "horn blower" or the one that sits up in the stands yelling and bragging your name and gives you a big kiss after the game, whether you won or lost.

All of these factors could be true. You can check yourself while silently sitting in the dressing room when no one is around and thinking about why you are playing.

The answer may not really be there, but if one "dares" you to do something, then you find a number of things it could be. The other team is "daring" you to beat them, the player on the other side is "daring" you to block him out of the play, the player next to you is "daring" you to carry out your assignment as a part of the team, the 210 pound fullback is "daring" you, large or small, to stop him from making that extra yard. Your coach is "daring" you to give that extra effort on every play during practice and in a ball game.

Well, if you aren't ready when the time comes then you lack one or many things in preparation for an all out effort.

When you open the 1966 Football Season against the Taylor Ducks you have one thing to think about. Them! Not what they were last year, or what the Cameron "fighting" Yoemen did in 1965.

It is what you do! You have prepared for three weeks for this important night. You have used your spare time and effort on the field, in the dressing room, at skull meetings, in the trainer's room, and to the hopes and desires of keeping old Yoe High record clean as a whistle! What you do every minute that you use when you come on the field and the time you leave it after the final whistle has blown, is a "dare".

"Dare" yourself to do the following:

1. I must carry out my assignments with my best possible effort.
  2. I must make extra efforts during the ball game.
  3. To give 110 percent effort on every play.
  4. Know that you did your best on every play.
  5. To drive and push that much harder when the going gets rough.
  6. To keep your head up, whether you are winning or losing.
  7. If you tried but didn't win, or if you did win, always say to yourself -- I've got to do better!
- 1 "dare" you to do these things and if you do then you have not only won a victory on the scoreboard, but within yourself. If you think you can do these things, then I "dare" you, 1966 Cameron "fighting" Yoemen Football Team, to beat the 1965 district champs and go farther than they did. But, most of all I "dare" you to "dare" yourself.

Sports fans, this is just a note about what a football player sacrifices for the sake of himself, his teammates, and old Yoe High. The spirit of Yoe High School has a lot of faith in the boys that represent the town of Cameron, but the Cameron "fighting" Yoemen have a lot of faith in you to be there and watch them play and give them that little extra boost when the going gets rough. So make an effort and show them that you are behind them all the way. Follow them to every game this season and see the difference that it makes to the average ball-player that gives a 110 percent effort.

### Texas Schoolboy

#### Football Ratings

The Texas Schoolboy Football campaign begins Friday night and the ratings indicate that San Angelo, Bridge City, Sweeny, and Forney should be the No. 1 teams. Standings for this year look like this:

Class AAAA: 1. San Angelo, 2. Amarillo Tascosa, 3. Spring Branch Memorial, 4. Brazosport, 5. San Antonio Lee, 6. Wichita Falls Rider, 7. Longview, 8. Austin McCallum, 9. Dallas Adams, 10. Houston Waltrip.

Class AAA: 1. Bridge City, 2. Dumas, 3. Dickinson, 4. Lockhart, 5. Donna, 6. McKinney, 7. Athens, 8. Henderson, 9. Brownwood, 10. Gainesville.

Class AA: 1. Sweeny, 2. Decatur, 3. Iowa Park, 4. Mineola, 5. West, 6. Rusk, 7. Granbury, 8. Bellville, 9. Plano, 10. Bishop, 11. Willsboro.

Class A: 1. Forney, 2. White Deer, 3. San Augustine, 4. Crowell, 5. Sonora, 6. Goldthwaite, 7. Medina Valley, 8. Three Rivers, 9. Hallsville, 10. Wills Point.

Defending champion Odessa Permian failed to land in the top 10 of 4-A; Brownwood, Champion of Class 3-A, was ranked ninth. Plano, which won Class 2-A, was rated eighth, and Wills Point, which took the Class 1-A Championship, barely made the ratings, getting the 10th spot.

## PERSONALS--

Dove hunters in Cameron for opening of the hunting season added to the local Labor Day weekend festivities.

Mr. and Mrs. Robert Ellett entertained with lunch Saturday for friends from around the state here for a weekend of hunting. An informal buffet lunch was served to about 40 hunters and their wives during the afternoon.

Rep. Milton Schiller also entertained a group of dove hunters from surrounding counties last week. A barbeque at the Schiller's home honored the visitors.

Parties Saturday evening included a Western Party at the Cameron Country Club for members and guests, and an informal sup-

per honoring Cameron newcomers at the Forrest Sapps.

Weekend guests of Mrs. Annie Abel were Mr. and Mrs. Ben Brighaupt, Mrs. Alberta Scallan, Mr. and Mrs. Howard von Gontou of Houston, Mr. and Mrs. Carl von Gontou of Buckholts.

Mr. and Mrs. Robert Michalka and Mr. and Mrs. Jerold Bowen recently visited in the home of Mr. and Mrs. Clyde C. Moore in Oil Center, New Mexico and were present for the second birthday of Mrs. Michalka's niece, Rose Marie.

MR. AND MRS. WILLIAM R. NEWTON III

## Couple United In Garden Wedding

Mrs. Jacqueline Du Bose, daughter of Mr. and Mrs. William L. Baxter, Victoria, became the bride of William Rowland Newton III, son of Dr. & Mrs. William R. Newton, Cameron, in a garden wedding, August 19, 7:30 p.m. at the home of Mr. and Mrs. William F. Strane, 1300 North Main Street.

The candle light ceremony was performed by the Rev. Frank R. Newton, uncle of the groom, who served as a Baptist missionary.

The garden was decorated with spiral tree candelabra and massive arrangements of white gladioli in tall white baskets flanking each side of the altar setting arranged for the wedding. Hurricane lamps lined the entrance walk where the bride and groom entered. Candelum plants, natural foliage, and soft lights placed at vantage places, complemented the setting.

The bride was given in marriage by her father. She wore a full length gown of vibrant pale yellow georgette fashioned over silk peau with a dyed to match re-embroidered lace bodice. The matching small-shaped cocktail hat held a puff of silk maline veiling. She carried a cascade bouquet of white stephanotis centered

with a white orchid. Her jewelry was a diamond drop pendant necklace, a gift from the groom.

Dr. William R. Newton, Cameron, father of the groom, served as best man, with Harry Jones, Houston, brother-in-law of the groom as groomsman.

Ushers were Bill Du Bose, Jerry Du Bose, Victoria, sons of the bride, also George Childress, David Holman, Houston.

Matron of honor was Mrs. Harry Jones, Houston, sister of the groom. Bridesmaid was Mrs. June Collins, also of Houston. They were attired in street length gowns of mint green crepe and peau de sole with the lines accentuated by a flowing side drape. Their small pill box hats were accented with a puff of veil in front extending to shoulder length in back. They carried cascade bouquets of bronze Buckingham pom pom chrysanthemums which were later placed on the groom's table.

Mr. Clarence Folger, Victoria, was pianist for the outdoor occasion playing traditional wedding music.

The bride's mother wore a street length gown of double silk crepe, with a matching all Alencon lace hip length over blouse in crystal pink. She wore

## Miss Brenek To Wed Mr. Schoppe In November Rites

Mr. and Mrs. Robert Brenek of Cyclone announce the engagement and approaching marriage of their daughter, Rose Marie to Ale Jerome J. Schoppe, son of Mr. and Mrs. Alfonse L. Schoppe of Cameron.

The bride-elect is a 1965 honor graduate of Rogers High School. She is employed by the Planters National Bank of Rosebud.

The future bridegroom is a 1964 graduate of Yoe High School in Cameron. He is presently stationed at Stewart Air Force Base in New York where he is being trained on the job as a communications specialist with the Air Defense Command.

The wedding is planned for November 5 at St. Joseph's Catholic Church in Cyclone.

## 'God Of Prayer' Is

## Topic For Lutherans

BUCKHOLES The "God of Prayer" was the topic for study by the Eight Circles of the Hope Lutheran Church when they met in separate sessions this week.

Hostesses were Mrs. Joe Glaser, Priscilla, Mrs. Johnny Fuchs, Hope, Mrs. Bruce Massingill, Martha, Mrs. J. F. Fischer, Naomi, Mrs. Milton Wright Jr., Ruth, Mrs. Hilda Pagel, Rebekah and Mrs. William Glaser, Dorcas.

Bible study leaders were Mrs. L. N. Ezzell, Mrs. Alvin Fuchs, Mrs. Leo Fuchs, Mrs. D. Fuchs, Mrs. Monroe Fuchs, Mrs. Kenneth Springer, Mrs. Arnold Jungmann and Mrs. Bruce Massingill.

a matching pink silk chiffon hat, pink shoes, short white kid gloves and corsage of pink glorie roses.

The bridegroom's mother chose an original street length gown of all French net lace in an Alice blue shade. She also wore white kid gloves, dyed to match pumps and a corsage of pink split carnations.

Following the wedding, a reception was held in the garden and home.

The brides table was centered with white agapanthus and white carnations. The piano on the patio held a similar arrangement. Attendants' bouquets decorated the grooms table. The table cloths were Italian cut French linen, white for brides and Ecru for the grooms.

Serving in the houseparty were Misses Lura Faye Strane, Deborah Wells, Mrs. Cleo McClure, Mrs. Billie Scheumaker, Mrs. William Strane, Victoria; also Misses Anita McNamee, Rue Collins, Denise Semper, and Mrs. David Holman all from Houston. Presiding at the registry book was Miss Connie Du Bose, daughters of the bride.

The bride is a graduate of Victoria High School, attended Victoria Junior College, and Dental School of Hygiene, Houston.

The groom is a graduate of Yoe High School, Cameron and The University of Texas, Austin. He also had special advanced courses at the University of Houston. He served three years in Germany in the Army.

Out of town guests to the wedding included grandmothers of the groom, Mrs. Turner Nichols, Denton, Texas and Mrs. W. R. Newton, Cameron.

Other out of town guests were Dr. W. H. Worrell, Dr. Trenton Torragrossa, Mr. Jess Neely, Mr. and Mrs. David Holman, Mr. John Dillon, Mr. George Childress, Mrs. Lillian Armstrong, Miss Christian French, Anita McNamee, Denise Semper, Rue Collins, Mrs. June Collins, Mr. and Mrs. Harry Jones and children, Mr. John Brown, Mr. Houston Wiserbaker, Bill Sweitzer, all from Houston. Mr. and Mrs. Don Owen and Ralph Owen, from Matagorda, Mr. Harvey Martin, Galveston, and Mr. and Mrs. W. S. Hill, Ganado.

Several pre-nuptial courtesies were extended to the couple. Dr. W. H. Worrell had a farewell party at his ranch home near Houston. Mrs. Newton was employed in his office for the past two years.

Miss Anita McNamee and Mrs. Harry Jones were hostesses for a miscellaneous shower in Houston in July.

Dr. and Mrs. Newton entertained the couple in Cameron with a dinner party.

MRS. EDWARD SHERWOOD JOHNSON

## Ceremony Unites Smith, Johnson

In a formal candlelight service at 7:30 Saturday in the First Baptist Church of Rogers, Miss Barbara Diane Smith became the bride of Edward Sherwood Johnson.

The bride is the daughter of Mr. and Mrs. Edwin A. Smith Jr. of Rogers. The bridegroom is the son of Mr. and Mrs. R. E. Johnson Jr. of Belton.

The Rev. Clyde Lee Herring, pastor of Seventh and Main Baptist Church in Bonham, read the vows for the double ring ceremony. A prelude of nuptial organ music was presented by Barry Smith of Oklahoma City, cousin of the bride. Mr. Larry Guess of Bonham was soloist and Miss Sharon Spurlock of Belton accompanied him.

The main altar was banked with emerald foliage and the choir loft was filled with fifteen branched arched candelabra in a split level design holding tall cathedral tapers. Pews were marked with clusters of greenery and candlelight satin bows. Hurricane lamps entwined with smilax lighted the foyer of the church where Miss Jan Merka registered the guests.

The bride was given in marriage by her father. She wore the wedding gown of her mother and her aunt, Mrs. Allen P. Waltz of St. Louis, Missouri. Redesigned by the bride, it was of candlelight silk satin with an overlay of imported re-embroidered Alencon lace which formed a molded bodice fashioned with a high oval neckline and scalloped elbow length sleeves. Applied medallions of the lace encrusted with seed pearls covered the bodice and edged the sleeves. Two rows of the applied lace down the front accented the princess lines of the dress. The gathered skirt except to a chapel length train and was enhanced with appliques of the lace medallions.

Her three-tiered veil of imported candlelight silk illusion fell below her finger tips from a wreath of pearl stephanotis and orchids. An heirloom hand-drawn linen handkerchief that had been carried in the wedding of three generations of her family was carried by the bride. Her flowers were a nosegay of white roses, stephanotis, valley lilies, and white Georgian orchid from which she presented a single white rose to her mother and the mother of the bridegroom.

Miss Betty Jean Zabick of Temple was maid of honor. Bridesmaids were Mrs. Dorrell Hardy of Waco, cousin of the bride, Miss Jeanne McKnoely of Houston, Miss Susan Smith of Dallas, Miss Pam Davis of Abertnaby, Miss Cheryl Foster of Memphis, Junior bridesmaid was Judy Dunn of Victoria, cousin of the bride.

The bridesmaids were gowned in slim floor-length skirts of candle-

light crepe. The empire bodies were of moss green georgette mist over tulle. Their headpieces were of moss green georgette bows, designed and made by Mrs. Pen Zabick of Temple. Each carried golden bronze chrysanthemums in a tailored nosegay design.

The flower girl was Cynthia Ann Morgan of Thorndale, niece of the bridegroom. William Randle Johnson of Enid, Oklahoma was his twin brother's best man.

Groomsmen were Art Smith of Rogers, brother of the bride, Frank Riker of Houston, Melvin Elton of Kingsville, John Lewis Taggart and Perry Patronelli of Belton. Bill Johnson of Dallas, cousin of the bridegroom, was junior groomsmen. Perry Harbour of Denton was in charge of seating guests before the service.

Following the wedding a reception was held in the Rogers High School Cafeteria. Lamps robed with English ivy lighted the path to the reception room entrance.

The bride's table laid with a floor-length cloth of white organdy was centered with the bride's bouquet at the base of a five-branched silver candelabra entwined with smilax.

The colonnaded cake was served by Mrs. Glen Crowder of Dallas, Miss Karla Kelley of Waco and Miss Katie Smith of Waco. At the silver coffee service was Miss Brenda Nance of Sherman, Miss Susan Davis of Waco and Miss Carolyn Necas of Rogers.

A single large moss green candle in a brass holder entwined with English ivy centered the bridegroom's table which was covered with a green linen cloth. The double ring mahogany chocolate cake

## Honored Sunday At

## Miscellaneous Shower

Miss Latricia Ann Marek, bride-elect of Edward Skrabanek, was honored with a miscellaneous shower Sunday at the Seaton Brethren Fellowship Building.

Red and white, the bride's chosen colors, were used in the decorations. The serving table covered with a lace tablecloth over red was centered with a large arrangement of red and white flowers. Appointments were of crystal and silver. Miss Rebe Marek registered guests. Miss Ruth Skrabanek served the cake. Lou Ann Skrabanek and Janet Bartek alternated at the punch service.

Hostesses were Mrs. Leonard Mikeska, Mrs. Erwin Marek, Mrs. J. C. Skrabanek, Mr. Stacy Skrabanek and Mrs. Henry Skrabanek, Mrs. Jerry Bartek.

Special guests were Mrs. Arnold Marek and Mrs. Annie Laffere, mother and grandmother of his honoree, and Mr. Ed Skrabanek, mother of the prospective bridegroom.

The wedding will be September 10th at the First Presbyterian Church in Temple.

accented with chocolate wedding bells was served by Mrs. Kenneth Morgan of Thorndale, sister of the bridegroom and Mrs. William H. Johnson of Dallas, aunt of the bridegroom. The brass and copper punch bowl was surrounded by mounds of English ivy and clusters of green grapes. Mrs. I. T. McCannery of Dallas, cousin of the bridegroom, Mrs. Rollins Teas of Belton and Miss Leigh Bartlett of Dallas served the punch.

Introducing out-of-town guests and assisting in the reception room were Mr. and Mrs. B. F. Harbour and Mr. and Mrs. D. D. Ward of Rogers. Others in the houseparty were: Mr. and Mrs. J. H. Merka, Mr. and Mrs. Edward Bailey, Mrs. H. H. Wright and Miss Linda Keith, all of Rogers. David Wright of Austin, Miss Adrian Winger of Dorian, Connecticut, Mrs. Judy Pruett of Lutz, Florida, Miss Cheryl Smith of Gatesville and Miss Mary Ann Fitzgerald of San Marcos.

Victi Dona of Teague, Linda Smith of Palmer, both cousins of the bride, and Kelly Ruth Green of Ennis distributed the rice bags from silver trays.

The bride is an honor graduate of Rogers High School. She is a junior Home Economics major at Baylor University and serves as president of the Tri-D. Home Economic Club. She is a member of Alpha Lambda Delta Honor Society and belongs to Pi Alpha Lambda Social Club.

The bridegroom is a graduate of Belton High School and has received his business administration degree in banking and finance from Texas College of Arts and Industries at Kingsville. He will enter the Baylor Law School in September.

After a wedding trip, the couple will be at home at 1603 South 4th Street Apt. 3, Waco.

Following the Saturday morning rehearsal, Mr. and Mrs. R. E. Johnson honored the bride couple and their attendants with a luncheon in the Aztec Room of Holiday Inn in Temple. The honored couple presented gifts to their attendants.

## School Growth....

Annexation of Branchville School by a 10-1 margin approval is another step in the urbanization of the rural school.

Milam County now has four independent school districts and two dependent districts.

One could look at a map of the county and visualize at least two and perhaps three consolidated schools of the first order, in the county, based on what has happened to the rural districts, once totaling 70 or 80 in once purely rural Milam County.

Education is the thing, and the competition for good teachers and operating revenue compels a long look forward.

Cameron schools are making considerable improvement in physical facilities, but like schools of its size, it takes more size to cover the additional basics of modern curriculum.

Branchville and Marak annexation will help the enlarged Cameron District provide that improvement. But someday, a central facility for even a wider area would be of value.

## Spreading The 1 Percent...

President Johnson in a recent speech in Pennsylvania noted the ludicrous (our word, not his) situation developing in a country where 70 per cent of the people live on 1 per cent of the land.

He addressed himself, of course, to the great shift of population from farm to town and from town to city. This has been a favorite subject of this newspaper of recent years because we have sought to stem the tide in Milam County. Cameron, of late, has been doing "some stemming."

The President proposes that federal government take steps to aid small town America, particularly in bringing industry to the small town.

The federal government has started a great deal of effort in that direction through school programs (Title I), poverty programs, et al.

But the real convincer for the rural folk is to have the unusual (and not now available) opportunity for a two-way ticket to the Central City and its suburbs. The one for going and seeing and experiencing the maze, and the

other for leaving.

Problem is, of course, jobs. That is the why of cities. More than ever, cities are not for people. They are, in fact, more for autos and trucks, and for the rich or the poor, and for people turned robot, by necessity, to stand the traffic and the pace, the much ado about "nothing".

There are exceptions among cities, but few indeed.

The country is not all that pastoral any longer, but there is space and a place to look up at an evening sky and the inclination to look up. The traffic finds its way to the small town, as it increases in Cameron for instance, but the town has trees and large lots, too.

And if further urging, from the White House outward, continues, the small town, like Cameron, can have more jobs too, and keep the open space.

Small towns are working toward that end, and if industry will continue to respond for the benefit of its employees, old and prospective, that one per cent figure can be spread out a long way.

### PRICE & COST PER SERVING

Considerations other than price and cost per serving should be given attention by housewives when they purchase beef, advises Frank Oris, Texas A&M University Extension meats specialist. Marbling, color and texture of the meat should be considered, for they are indicative of eating

quality, he says.

### SHEEP & WOOL PRODUCERS

VOTE - Sheep and wool producers have until September 23 to turn in their ballots on the vote which will determine whether or not the agreement between the American Sheep Producers Council, Inc. and the Secretary of

Agriculture for promotion purposes will be continued. Marked ballots must be returned to county ASCS office by the September 23 date.

## Power Plays Snag Director

AUSTIN

It seems that a power struggle between House and Senate leaders on the Legislative Budget Board cost Director Vernon McGee his \$20,000 a year job.

Board is made up of five state senators and five house members. In the past they have fashioned the State budget...mainly behind closed doors.

House Speaker Ben Barnes maintains that the budget should be written "on the floor" by the lawmakers and that all committee hearings on it should be open to legislators and the public.

Barnes wants the House to have a larger role in writing the multi-billion-dollar state general appropriations bill. He also wants to put a brake on conference committee powers.

He feels that a new budget chief, without close ties in the senate, will aid his drive for a joint legislative rules amendment to restrict conference committees to adjusting differences between bills, rather than writing new legislation in secret session.

McGee has helped process the State's \$3,600,000,000 biennial budget during the past 17 years.

Speaker Barnes, while praising McGee's ability, said the budget director had become too powerful and was too close to veteran state senators who have long dominated budget writing.

Lt. Gov. Preston Smith favored re-employing McGee. But the board voted 6-3 against rehiring. One senator joined representatives in the vote for discharge and another voted "present."

PATROL GETS SHORT WEEK - Uniformed Texas highway patrolmen are going on a five-day week as the Department of Public Safety moves to recruit and keep qualified officers and provide better law enforcement.

Col. Homer Garrison Jr., director of the DPS, says there are 125 vacancies in the patrol services. Next deadline for applications is October 17.

### TREASURY SURPLUS CLIMBS

Biggest fiscal year-end surplus in the general fund in Texas history was recorded August 31 by State Treasurer Jesse James. Total ran \$128,000,000.

James reported the surplus as

\$1,600,000 higher than the previous year. Current biennium ends August 31, 1967.

### ATTORNEY GENERAL RULES

A road district can be formed which encompasses territory lying in more than one county. So held Atty Gen. Waggoner Carr in an official opinion. However, the entire area of each county making up such district must be included and counties involved must be contiguous to each other. "Road districts", says Carr, "may acquire right of way for use by the State Highway Department to improve and extend the state highway system."

In other opinions, Carr held that Texas Parks and Wildlife Department may buy Calhoun County land under a law authorizing purchase of property "near Rockport" for a salt water experiment pond.

"Self-insuring" counties carrying their own liability risks rather than purchasing workmen's compensation insurance are not deprived of common law defenses. As liability is not affected.

Service citation fees to sheriffs or constables in small claims court cases (\$2) still are in effect.

### APPOINTMENTS ANNOUNCED

James Berger of Austin now is acting director of parole supervision. He succeeded Ray Williams who resigned to do graduate studies at the University of Texas.

Joe Entzminger of Bay City, Tom Gordon of Abilene, Mrs. Howard Hurd of Brownfield, Tom McCrummen Jr. of Austin and Garrett Morris of Fort Worth were named credentials sub-committee for the State Democratic convention. They will hear delegation disputes from Angelina, Denton and Midland counties at protests concerning the Harris and Armstrong County conventions.

MILLIONS ASKED FOR BUILDINGS - State Department of Mental Health and Mental Retardation is seeking \$33,600,000 for new building and for expansion of existing facilities during the next biennium.

Money would go to facilities at Abilene, Austin, Denton, Corpus Christi, El Paso, Lubbock, Lufkin, Mexia, Richmond, Big Spring, Kerrville, Rusk, San Antonio, Terrell, Wichita Falls and in the Rio Grande Valley (site to be

WASHINGTON DC. The following letters were recently answered by the Department of State.

For a book I am writing, I would like to know: (1) which were the nations which sent troops to Korea to repel the aggression? (2) How many Red Chinese war prisoners were captured by the U.N. forces? How many refused to return to the mainland?

SCYP.

New York, N.Y.

Dear Mr. P.:

The following countries contributed in one form or another to the armed forces of the United Nations Command: Australia, Belgium, Canada, Colombia, Ethiopia, France, Greece, the Republic of Korea, Luxembourg, the Netherlands, New Zealand, the Philippines, Thailand, Turkey, Union of South Africa, the United Kingdom, and the United States.

Of the 21,370 Chinese Communist "volunteers" captured by the UN Command, 1,030 sick and wounded returned to Communist China in "Operation Little Switch", April 20-May 3, 1953. An additional 5,640 opted to return to China following signature of the Korean Armistice Agreement, July 27, 1953. The remaining 14,700 prisoners who refused voluntary repatriation were placed in the custody of the Neutral Nations Repatriation Commission. Of this number, 434 subsequently requested return to China, and others became citizens of various Far Eastern countries.

I read recently that a Russian delegate to the U.N. was forced to cancel a speaking engagement because it was outside the travel limit imposed on him. I urge you to immediately cancel such restrictions. Everything is to be gained and nothing lost by letting everyone see the advantages of living under our type of society. Restrictions such as this can lead only to unfavorable publicity from our standpoint. There is clearly no reason for them other than reciprocity for restrictions imposed on our own representatives in Moscow.

### REVENUE SPLIT "BARRED"

Staff attorneys for the Texas Legislative Council say a proposal by big-city mayors that municipalities get a share of state tax revenue is unconstitutional.

But municipal officials still are convinced that where there's a will, there's a way to obtain a partial refund of broad-based taxes collected by the state in their boundaries.

Texas Municipal League Director Steve Mathews says he feels "things can be worked out" if the Legislature wants to provide a source of supplemental aid to hard-pressed cities.

## OLD PHILOSOPHER

DEAR EDITOR:

According to an article I read in a newspaper which drifted onto this Johnson grass farm yesterday, don't know where it came from, the mayor of New York informed a Senate committee in Washington that New York has reached the limit of its taxing ability, has run out of new sources of revenue, and will need 50 billion dollars from the Federal government in the next ten years to keep the city livable.

Moreover, other major cities are getting in the same shape, and one Senator, figuring up their requests, calculated it would take 250 billion dollars in the next ten years to keep them all livable.

I got to thinking this over, and while I don't know exactly how many acres there are in the country's major cities, I estimate they are asking for roughly about \$50,000 per acre per year.

You can see this makes the farmers, who never got more than 3 or 4 dollars an acre in Federal

help, look like pikers.

It makes a person wonder, can we really afford these cities?

I know land is valuable in a city, but if it takes \$50,000 an acre per year in Federal hand-outs to keep it producing, it makes a man scratch his head.

Furthermore, there are other complications. For example, farmers now make up less than 10 per cent of the total population in this country, and if the 90 per cent now living in cities can't support themselves and are looking outside their boundaries for help, somebody is sure dreaming if he thinks us farmers can carry the load. I wouldn't mind sending New York a dollar now and then, but 10 billion? Just haven't got it.

Sombody ought to tell the cities, where all the brains are supposed to be, that just because farm prices are up a little it doesn't mean we can rake up 25 billion dollars a year just to tide them over.

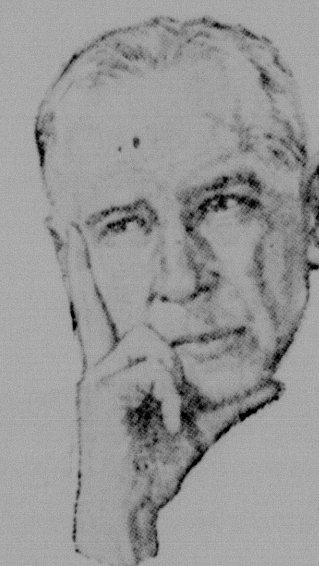

Yours faithfully,

J. A.

## Mississippi Academy

### Names Ray Stevens

### School Headmaster

Ray Stevens, former principal of Cameron Elementary School, has been named Headmaster of Jackson Academy, Jackson, Mississippi, according to an official announcement of the institution's board of trustees.

Jackson Academy is a private, non-denominational school established in 1959. It is a nonprofit corporation which operates a pre-premier, an academic primer and an accredited elementary school.

Stevens earned the B.S. degree in Education and the Masters Degree in Educational Administration at Texas A&M University. He was principal for two years before returning to Mississippi.

For about 70 million persons, most of them mothers and children, UNICEF-equipped health centers are the only link with modern practices of medicine and nursing.

Preaching 11:00 a.m.

The wind is like the power of God. It is invisible — you can neither see nor touch it. And yet it will carry a sailboat skimming across the waves with all the beauty and grace and freedom of a seagull. But whereas the wind may die and leave you drifting aimlessly and helplessly with the tide, the strength of God remains eternally steadfast. It is through the Church that man is given understanding of this Power. For by worshipping God he can acquire the spiritual insight which gives fuel to his soul and purpose for his pursuits.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor in the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

A Doctor practically devotes his entire adult life to gain the needed knowledge that enables the writing of a prescription. After many years at college and internship, it is still obligatory to read hours of new medical reports each week. A Pharmacist also spends almost as many years at college and internship to learn how to safely dispense prescriptions. We too have to study every new drug's action and dosage. # THE FAMILY LAWYER

## NO. 1 MAN IN COURT

Not the scientist, not the sociologist, not the philosopher is the most-cited expert in today's courtroom. Far more influential is a fictitious fellow known as the Reasonable Man.

Created by an English court more than a century ago, the Reasonable Man has become a basic yardstick for measuring right and wrong. To avoid being held negligent, you are expected to drive like the Reasonable Man, shave like the Reasonable Man, golf like the Reasonable Man, and

drink like the Reasonable Man. Then what sort of person is he?

In the purely physical sense, he looks very much like you. If you have only one leg, so does he. The law would expect you to cross the street only as fast as a Reasonable One-Legged Man. In this way, when judging your conduct, the law makes fair allowance for personal handicaps which you simply cannot help.

But in the mental sense, the Reasonable Man generally resembles not you but the average man - which is quite a different mat-

ter. Thus:

Suppose you are a person who is forever overlooking traffic signals or dropping lighted cigarette butts. You cannot expect other people to suffer without complaint, the consequences of your handicap which, presumably, you can overcome if you really try.

So the Reasonable Man has the average degree of alertness to danger, the average degree of consideration for the safety of others. He also has broadly speaking, an average memory, average bravery, average judgment, and an average amount of useful information in his head.

Thus, the Reasonable Man knows (even if you, personally, do not) that hay will burn, that a wet floor is slippery, that worn tires may blow out, and that a loaded gun is dangerous.

In other words, the Reasonable Man is a composite - partly like you, partly like the average per-

son. He has your built-in defects, but not your defects that could and should be corrected.

But isn't that a pretty loose standard for deciding legal issues in the courtroom? True enough. Yet experience has shown compromise between the rights of the individual and the rights of society.

By using this compromise, the law itself has acted like the Reasonable Man.

## • Buckholts

By Mrs. J. W. Meyer  
Miss Sandra Gresak left Wednesday for Huntsville where she will attend Sam Houston State College as a first year student.

Her mother, Mrs. Fred Gresak, who accompanied her to Huntsville has returned home.

Mr. and Mrs. L. N. Ezzell visited in Taylor Sunday where they were guests of Mr. and Mrs. Edgar Werchan.

Mrs. C. G. Williams has had as weekend guests her grandson, Butch Pagnozzi and his friend, Billy Hill both of Austin.

Recent visitors here were Mrs. W. P. Elliott of Milford and daughter, Mrs. Mary Frances Christian of Kountze, former residents of Buckholts. They visited briefly with friends while passing through enroute to Mrs. Elliott's home in Milford.

Kenneth and Karen James of Freeport spent last week with their grandparents, Mr. and Mrs. W. H. Gilbert, Mr. and Mrs. Joe James, Mr. and Mrs. John Lee Fersky, Mr. and Mrs. Harold Spink and Kimberly were weekend guests in the Gilbert home.

Mrs. J. D. Lewis Sr. accompanied by Mrs. L. T. Lewis Sr. of Dallas has returned home after a week vacation spent visiting at Port Aransas, Corpus Christi and other parts.

Guests in the J. D. Lewis home have been Mr. and Mrs. Kid Lewis and children; Mr. and Mrs. Leo Lewis and children; Mr. and Mrs. Lyn Lewis and children; Mr. and Mrs. E. Love and children; Mr. and Mrs. Hickman Lewis and children all of Ft. Worth and Mr. and Mrs. P. L. Brady of Austin.

Mrs. Era Smith and son's family, Mr. and Mrs. Jack Smith and son, Donald of New Braunfels were weekend guests of Mr. and Mrs. Tal Woodward.

Mr. and Mrs. C. S. Raney's guests were their sons, Mr. and Mrs. Buck Raney and children of Baytown and Jimmy Raney and son, Butch of Houston.

## • Burlington

By Mrs. George Logan  
Jerome McAtee, formerly of Burlington, died in Houston Thursday night. The funeral was in Little River Cemetery at Jones Prairie Saturday at 2 p.m. He had been ill for a long time.

Ray McAtee is very ill in Rosebud. He is a brother to Jerome McAtee. Jerome is survived by his wife, one son, Errol, and one daughter, Mrs. Melvin Stock, all of Houston. Jerome was reared at Burlington.

Mrs. J. D. Roberts of Chilton and Ernest Stuessel of Mooreville have visited relatives here.

Mr. and Mrs. David Krause of Victoria have visited his parents here. They left for Abilene Saturday for a visit to her relatives.

A revival will begin at Burlington Baptist Church September 16 and will close September 18. Mr. Bailey Jones of Rosebud will lead in the song services. There will be preaching Friday night, Saturday night, Sunday and Sunday night.

Sometime in October Rev. Henry Davenport of Atkins, Ark., will have charge of revival services at Calvert. The date will be given later.

William Foshea has returned from Houston where he visited relatives. He and Harlan Wunsch of Barclay entered college at Stephenville.

Mr. and Mrs. Roy Olbrich and family and Johnnie Olbrich of Houston visited relatives here recently.

Mr. and Mrs. L. F. Janicek were guests of Mr. and Mrs. Lee Gerngross Wednesday night.

Mr. and Mrs. Larry Stalker and family have moved from Waco to Sacramento, Calif., where he is employed.

Mr. and Mrs. Joe Knapke and two girls Karen and Lori of Houston and Mr. and Mrs. Leon Atmanzyk and daughter of Waco have visited relatives here.

Mrs. George Minter and Mrs. W. R. Hickey of Stephenville spent a few days here during Labor Day holidays.

**FISH CLEANER THAT CLEANS**  
Sneak away your wife's nylon hairbrush. If she acts suspicious, go out and buy one at any department store.

Such brushes, if stiff, make excellent tools to clean out the abdominal cavities of fish after the entrails are removed. They do a far better job than most other methods.

## Help Your Child

### Learn By Listening

COLLEGE STATION

Do you listen to your child?

Much of a child's learning comes about because someone is listening, reminds Mrs. Patsy Yates, Texas A & M University Extension family life education specialist.

Many adults think that if they are talking and a child is listening, learning is taking place. However, the opposite is often true, she adds.

A child's learning depends largely on how he perceives and feels about a situation. When parents are aware of these feelings, they can be helpful. This can come about by listening carefully to the child.

When there is reason to learn, a child learns. How, when and what a child learns, however, depends to a great extent on his surroundings, which include people as well as things. Parents must know a child very well to know the best time for him to learn - and this, too, comes only from listening to the child.

Why a child talks or asks questions is not always clear or easy to recognize, says Mrs. Yates. Sometimes they are simply wanting information and sometimes they are seeking attention. These are both valid reasons - each as important as the other - but parents must realize that each requires its own special kind of response.

When the child asks questions to gain attention, the response is important on an emotional level. The child is seeking to feel like a more valued person. Questions that seem unimportant to adults may serve or reveal deep areas of concern to the child.

Children generally are much more sensitive to parents than parents are to children. When par-

ents don't listen, children don't listen, either. Such closing of communication seriously reduces the amount of learning taking place.

"Learning to listen well takes time and effort, but when you listen to your child, you'll learn a lot about him, and he will learn a lot about growing up," Mrs. Yates says.

Since UNICEF, the Nobel Peace Prize-winning organization, began its work 20 years ago, about 14 million children have been treated for trachoma and related eye diseases. The antibiotics to save a young trachoma victim from blindness cost UNICEF 10 cents.

## BEER—A big boost to the economy!

The brewing industry each year contributes over 1.4 billion dollars in federal, state and local excise taxes. Wages and salaries in the brewing industry account for almost 500 million dollars, and the purchase of packaging materials from other industries runs over 550 million. So next time you enjoy a cool, refreshing brew after hard work or play, remember—BEER is good in more ways than one!

## SELF ANALYSIS QUIZ

### How Much Do You Know About Alcohol and Accidents

By Dr. P. Carbone and Jane Sherrod Singer

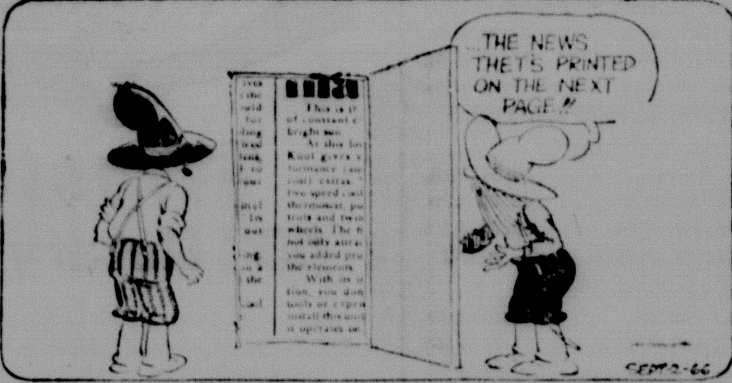

With alcoholism becoming an ever increasing problem and the death toll on the roads mounting yearly as the result of the drunken driver, it is time we see how much we REALLY know about the effects of alcohol. Answer the following true or false:

- |   | TRUE | FALSE |
|---|------|-------|
| 1. The extreme drunk is one of the greatest safety hazards on the road.   | ( )  | ( )   |
| 2. Strong black coffee or caffeine pills will off-set the effects of alcohol.   | ( )  | ( )   |
| 3. Two or three drinks make no appreciable difference in visual acuity.   | ( )  | ( )   |
| 4. During the Christmas Holidays, approximately one out of every five fatal accidents involve a person who has been drinking. | ( )  | ( )   |
| 5. Drinking is not a hazard for pedestrians.  | ( )  | ( )   |
| 6. Lapse of memory when one is drinking is a danger signal of alcoholism.   | ( )  | ( )   |
| 7. Hangovers cost industry more money each year than the common cold.   | ( )  | ( )   |
| 8. Several drinks of alcohol cuts down an individual's reaction time.   | ( )  | ( )   |
| 9. Alcoholism is a mental disease.  | ( )  | ( )   |

#### ANSWERS:

1. FALSE: The drunk on the highway can usually be detected by his erratic driving and therefore avoided. The "social drinker" gets by... until an emergency looms before him.
2. FALSE: Only time can eliminate the alcohol from the blood stream and the system.
3. FALSE: Two cocktails may reduce one's visual acuity as much as if he were wearing dark glasses.
4. FALSE: The appalling number is nearer one out of two.
5. FALSE: A great percentage of pedestrians killed on the streets have been drinking.
6. TRUE: The normal functions of the brain undergo a process like that of an anaesthetic.
7. TRUE: Even if the worker is on the job, his efficiency is so drastically reduced that industry has come to fear hangovers.
8. TRUE: Reaction time is drastically reduced.
9. TRUE AND FALSE: Alcoholism may begin because of mental problems, but the constant heavy use may produce drastic changes in body chemistry until it can also be considered a physical disease.

Barbecues are a boon for the cook. Foods and preparation are simple, and usually self-service is in order. Even with such simplicity, the family is still in for a surprise—hamburgers cooked in cheese that look just like frankfurters. Garnish with extra cheese slices, red-ripe tomatoes, relishes, and that ever-welcome summer sipper—icy cold instant coffee.

## Hamburger-Cheese Rolls

(Makes 6 servings)

1-1/2 pounds ground round 1/4 teaspoon salt  
or chuck 1/4 Dash pepper  
2 teaspoons dehydrated 1 egg, slightly beaten  
instant minced onion 6 slices (3/4 of 6-oz. pkg.)  
1/4 cup finely chopped Borden's Pasteurized  
green pepper Process American  
Dash pure garlic powder Cheese  
6 frankfurter rolls

In a large-size mixing bowl, combine meat, onion, green pepper, garlic powder, salt and pepper; mix well. Blend in egg. Divide into six equal portions. Shape each portion on a piece of waxed paper into a 4-inch square. Place one cheese slice over each meat square. Roll meat and cheese jelly-roll style. Seal edges and ends to completely cover the cheese. (The shape will resemble a frankfurter's.) In a heavy skillet, heat a small amount of fat. Cook meat rolls over medium heat until of desired doneness, OR broil 7-8 minutes, or until of desired doneness; turn occasionally. Serve in toasted frankfurter rolls.
